**09/003CM FINANCIAL REPORT**

The Town Clerk confirmed that the financial report up to December had been approved by F&GP who noted favourably the proposed reduction in the budget by virtue of the absorption of costs. The external auditor had, for example, agreed that the Committee need no longer be the subject of a separate audit.

**09/004CM SUPERINTENDENT'S REPORT**

The Superintendent submitted his report which was noted. It was agreed that the Superintendent and Town Clerk should review funds and present proposals for the Chairman's approval for the replacement of the large mower at the end of the financial year. Publicity might be given to the "opening" of the green burial site. The Superintendent was commended on the condition of the Cemetery given difficult weather conditions and substantial demand.
