Cllr Brandon was pleased to report that the cleaning up exercise went well. The flowers for next spring have arrived and will hopefully be up on the poles on Sunday. Volunteers for Sunday are – David, John, Gail, Bobby and Linda. There will be coffee provided in The Crown at 11.00am.
Lampposts – Highways want to test all the lampposts and will remove if testing is not paid for. Maureen is in communication with them over this matter. Other options are being looked into and other ideas were requested.

PRESENTATION EVENING

Presentation evening was successful. It was excellent having the children. Thanks went to all that helped on the evening.

09/052W

FUND RAISING

A Garden Trail is being looked into. May be able to use a property at Priest Row but would have to go through the house to get to the back garden. It was thought this wouldn't be a problem as stewards will be in place. Eight gardens are needed for the trail which is planned for July. This will probably be the only fundraiser this year.

09/053W

ALLOTMENT SUB COMMITTEE

It was agreed that the next inspection of the allotments would be at 2pm on 23rd November, starting at the Fire Station. The fencing is in need of urgent attention and as there is money in the budget it would need to be repaired asap.
