

Start of the BIG Spring Clean 2026!

It may have been chilly over the last few weeks, but our Outside Spaces team have been keeping warm and busy by completing lots of works across our green spaces and play provisions.

We will shortly be replacing revamped benches in Tor Furlong play park, along with replacement swings and ropes for the large basket swing in Bignal Rand play park.

Leaf clearance across the city as well as traffic island clearance has also been completed in lots of locations.

Work doesn't stop there, we will be replacing a number of other benches, goal posts and items of play equipment over the coming weeks including the painting of the Band Stand in the recreation ground and bears in Hawkers Road play area, sign cleaning, and much more, all in time for spring and ready for lots of fun in 2026.

If you spot something that needs some attention, please report it to us at reception@wells.gov.uk or 07149 673091.
