CLOCK IN A BOX!

CAN YOU SPARE A MINUTE FOR YOUR LOCAL BRASS BAND?

For over 180 years, the "Wells City Band" have played for the people of Wells in times of sadness and joy.

For the past 5 months the band's players have continued practicing at home, sharing in the recent Thursday thanks for the NHS and also playing individually for the V.E. Day Commemorations.

Unfortunately, because of the Covid-19 restrictions ,all the band's practices and bookings have been cancelled and no events have been held during the spring or summer.

In order to keep the band going we need your support.

Please could you support us by buying a minute of time at the cost of £5? With the help of Marc Fisher (The Gallery), we have wound a clock that will be placed in a box and which will eventually stop. The time will be given to us by Marc Fisher at the end of August. If you guess the right time or near to the time ,then you would win one of these these wonderful prizes!

First Prize- £200

Second Prize- £50 voucher for The Gallery Jewellers

Additional prizes of £25 and copies of the Wells City Band history book –all prizes make up 10% of profits

Thank you for keeping YOUR band alive for the future

Jane Hill- Secretary
