1 2018/0258/HSE
Erection of single storey side extension, garage and associated access and annexe conversion.
Park Cottage Silver Street Wells BA5 1US
RECOMMEND REFUSAL
REASONS:
LACK OF CLARITY OF INTENTION
i. Inappropriate development to a Listed building at a sensitive site in a conservation area
ii. Concern that work would be detrimental to trees at the site
iii. Concern that breaking into the wall onto the Moat Walk would have unacceptable impact on the visual and heritage aspects of the site
iv. Lack of detail or mention of the swimming pool indicated on the plans
v. Lack of clarity as to what is actually intended for the whole site
vi. Concern over the implied change of use. Why is a vending van included in the plan drawing but not mentioned elsewhere in the application?
vii. There appears to be a public access picnic area shown on the site. What is this for? What permission is required for the intended purpose?

**RECOMMEND REFUSAL**
Reasons:
Wells City Council submitted the following comments on the Street Trading licence application and would object to the planning application on the same grounds:

i. Members have concerns about the prior history of this enterprise: encouraging loitering, discouraging people from dispersing after leaving the nightclub; generating noise and anti-social behaviour.

ii. There are concerns that the permitted hours would be exceeded, as before, with no effective enforcement action taken.

iii. The proposed site will again affect a residential area.

iv. The Council has a duty to have regard to prevention of crime and disorder; accordingly the committee felt they should object to this application.
