### Introduction and Background

There are a number of outside bodies, for which Wells City Council offers representation. Following review, some of those listed are now obsolete, and as such, the amended list below is to be considered by Council with representation provided.

In many instances, the representation includes regular attendance at meetings, AGMs or equivalent. It is therefore requested that Councillors consider the importance of their attendance when invited in order to provide meaningful feedback to Full City Council as referenced later on this evenings agenda in item 21.
